FRAME SPONSORSHIP FORM

Aim - The aim of this APF project is to refurbish all the frames that the APF owns by replacing the interior wooden panels with plastic (Corflute) and undertaking a rebuild and refurbish of the frames There are about 1,000 frames to refurbish and the cost will be between $20-30,000.

Cost - Given that there are two sides to a frame and in order to keep the sponsorship cost low we are offering sponsorship of one side of a frame for **$25** or both sides for **$40**. If you want to sponsor more than one frame with the same name - put the number at the end of the row below.

Plaques - Each side of the frame will have a small brass plaque with your details. There are two types available. Please fill in the details as you wish them on the frame.
